

My entire family greatly enjoys listening to K-LOVE radio on a daily basis. The encouraging, positive message this station provides helps us to be more involved in the community and influence others in a positive way. If K-LOVE were displaced by an LPFM broadcaster we would be very disappointed because it would not help us to be as positively involved in our local community. K-LOVE keeps us informed of local events in our community and we strongly believe that K-LOVE is in the best interest of the public. In the negative world that surrounds us each day, it is very refreshing for people to be able to have a positive source to turn to like K-LOVE. Please keep K-LOVE on the air and do NOT allow LPFM stations to be given priority on the FM translator services. This would be very detrimental to the community and our family as well. Thank you.
